# RUNNING THE RACE

**Rev. Randy Shrauner**  
*Executive Minister*

Watching the Summer Olympics is always an interesting treat, as athletic events far outside the realm of football, basketball, and baseball get their moment in the sun. From archery and indoor bicycle racing on high banked tracks, to women's field hockey, the range of athletic endeavors is diverse indeed. But it always seems to be the more traditional activities that draw the most interest, as there is historical context that adds depth to the experience. Watching the incomparable Simone Biles perform in women's gymnastics is made all the more interesting through memories of Nadia Comaneci, Mary Lou Retton, or Oklahoma's own Shannon Miller. Remembering Mark Spitz's 1972 Olympics has made watching Michael Phelps win his incomparable 28<sup>th</sup> Olympic medal all the more impressive.

But for me, there was one athletic performance in these games that stood alone for its sheer dominance and virtuosity: Katie Ledecky's world record shattering swim in the Women's 800 Meter Freestyle.

The race was hers from the instant she left the starting block—she was in the lead from the sound of the gun until she touched the wall eight minutes and just shy of five seconds later. But what was stunning about the race was not the establishment of a world record, but that she finished over eleven second faster than the second place finisher! To consistently beat the world's best athletes by such margins is a staggering achievement. Writing for the Washington Post, Dave Sheinan cites Michael J. Joyner, an anesthesiologist and researcher for the Mayo Clinic in Rochester, Minn., specializing in human performance and physiology: "She's dominating by the widest margin in international sport, winning by 1 or 2 percent. If [a runner] won the 10,000 meters by that wide a margin, they'd win by 100 meters. One or 2 percent in the Tour de France, over about 80 hours of racing, would be 30 or 40 minutes. It's just absolutely remarkable."

There is little doubt that Miss Ledecky is a gifted athlete with a physiological makeup which grants her the opportunity to compete at this level. But, the distance between her performance and that of her peers is not a result of her genetics, but of her heart and spirit. When asked what special tips or training techniques set her apart, her coach has stated there is no secret, it boils down to her willingness to do the work.

Our current sermon series, "Fully Committed," is working out of the New Testament book of Hebrews, which includes the passage, "Therefore, since we are surrounded by so great a cloud of witnesses, let us also lay aside every weight and the sin that clings so closely, and let us run with perseverance the race that is set before us..." (Hebrews 12:1). What could God accomplish in our lives if we approached our discipleship with the fervor of Katie Ledecky? How would our transformation impact the world around us for the sake of the Gospel if we trained as Olympic champions? It might be interesting to explore the possibilities!

## MISSION OPPORTUNITIES FOR SUNDAY SCHOOL CLASSES OR SMALL GROUPS

One of our core values, as we seek to become more fully committed followers of Jesus Christ, is service that models love and compassion as shown by Jesus. As Sunday School classes and community groups come together this fall, find a way you can serve together. Consider some creative ideas for serving in our church and community as a group.

1. **Adopt a Children's Sunday School Class:** Create a list of class members that would be willing to be teachers for a children's Sunday school class this school year. Contact Cathy Hersom at [chersom@churchoftheservant.com](mailto:chersom@churchoftheservant.com).

2. **Parking Ministry:** Be willing to take a month or two this year and help park cars. Some people in our congregation are only able to attend worship because someone helps them get in the door. This is such an important ministry that helps people continue to attend church, and more smiling faces are always needed. Contact Michael Carpenter at [mcarpenter@churchoftheservant.com](mailto:mcarpenter@churchoftheservant.com).

3. **Walk with Compassion To End Child Poverty:** Saturday October 1 at 9:30 a.m. at Stars and Stripes Park, Compassion International sponsors Walk for Compassion, a new fundraising walk series created to address the challenges of vulnerable children around the world. The money we raise together leading up to the walk will fund urgent projects benefiting children, such as: emergency surgery, disaster relief, HIV/AIDS response, and much more. On the day of the event, we will come together as a city to celebrate the difference we have made through our fundraising, and to learn more about how the dollars we have raised are helping us reach our goal of ending child poverty. Take an offering in your class and plan to walk together on October 1. Contact Amy Weber at [amyweber612@hotmail.com](mailto:amyweber612@hotmail.com).

4. **Prepare and serve lunch at Skyline Urban Ministries:** Take lunch to serve 40-50 seniors who are struggling in isolation and poverty in our city. Contact Arnetta Greasham, Prime Time Program Manager, at 632-2644, ext 115 for more information.

5. **Prepare and serve a meal at Red Shield Diner** for the Salvation Army. Every day the Salvation Army provides breakfast, lunch, and dinner for some of the most vulnerable people in our city. They need groups to prepare and serve. Contact Volunteer Coordinator Liz Banks at [liz.banks@uss.salvationarmy.org](mailto:liz.banks@uss.salvationarmy.org). or call her at 246-1107.

6. **Serve at Infant Crisis Services:** Whether it is sorting and hanging baby clothes or rocking babies, volunteers are utilized well at Infant Crisis Services (ICS). ICS won the Okie Award as the best place to volunteer in the city. Contact them at [www.infantcrisis.org/group-requests](http://www.infantcrisis.org/group-requests) for more information.

7. **Sponsor a Child through Potter's House, Guatemala City, Guatemala:** One of our international partners is Potter's House which ministers to people who live and work in the city dump. One of its most significant programs is addressing basic needs and education for children in the dump. Sponsorship is \$35 for elementary or \$70 for older children. Contact: [sponsorship@pottershouse.org.gt](mailto:sponsorship@pottershouse.org.gt).

## LIVING THE GREAT LIFE

On Sunday, September 18, we are beginning a new sermon series called, "Living the Great Life!" In this series, we will talk about five principles of living the great life and the relationships God wants for us. In addition to this message, we are offering a free resource for you called "Living The Five." This resource will support each of the five weeks of the upcoming fall sermon series.

If you are willing to gather a few friends at your house, your work place or at the church, and grow through this sermon series, we want to give you a DVD and study guide as our gift to you and your Community Group. These resources will be available to pick up on Sunday morning, August 28 through September 25. Maybe you are already a part of a Community Group, like a small group, Sunday morning class or a Bible study group. If your group would like to grow together using these resources, come by the table beginning Sunday, August 28 and pick up the free resources.

Being a part of a Community Group is one of the most important steps a person can take to grow in their faith. A Community Group is a group of people you are investing in and a group of people who are investing in you. It is a group of people with whom you can share your life, who will encourage, support, and challenge you! God's plan for you is not to live life alone, but to share it with others. If you don't have a Community Group, then ask yourself, "Who are the people in my life that I could ask to be a part of a group?" It could be friends, colleagues, neighbors, or family. They don't have to be involved at Church of the Servant. They may not go to church at all. In fact, they may be wrestling with whether or not they believe in God. Who do you know that might be waiting on an invitation

from you? There is not a description of what a Community Group must look like. But, there is a goal! The goal is to have a relationship with others that ultimately leads you and them to a stronger faith in Jesus Christ.

We do believe there is no better way to help a person grow in their faith than being a part of a Community Group! If you are a part of one, you already know this. If you're not, give it a try for five weeks. It only costs your time. The resources are free.

Who will you invite? Your Community Group can be as small as 3 and as large as 12. It is up to you. You will meet once a week for five weeks for about an hour. The location is up to you. The goal is to begin during the week of September 18 after the fall sermon series, "Living the Great Life!" begins.

We are excited about all of the new Community Groups that will begin and what God is going to do in the lives of so many people. For more information, contact Scott Smith at [ssmith@churchoftheservant.com](mailto:ssmith@churchoftheservant.com) or call 721-4141.

# WOMEN

## WOMEN'S BIBLE STUDIES BEGIN SEPTEMBER 13

Bible Studies begin the week of September 12. Sharing the Kingdom will begin on September 13 with the study "Breaking Free From Fear," led by Nancy Harris. Childcare is available for most studies. Many of our fall studies were written and developed by Lisa Harper, who will also be our guest speaker for "The Gifts of Christmas" event on November 18. For more information about each study, go to [www.churchoftheservant.com/women/classes-studies/](http://www.churchoftheservant.com/women/classes-studies/) or contact Susie Cobden at 721-4141 or [scobden@churchoftheservant.com](mailto:scobden@churchoftheservant.com).

### A STUDENT OF THE WORD

Nancy Harris is a student of God's Word. She has been leading Bible studies for more than thirty years. She loves to study the Word of God and to share the love of Christ with everyone she encounters. Nancy will bring that enthusiasm and experience to Sharing the Kingdom Bible study this fall.

Nancy loves teaching the Bible through inductive study. She explains:

"Inductive study, a method that brings you directly to the Word of God apart from another's understanding or interpretation of the text, involves three skills: observation, interpretation, and application. Observation teaches you to see precisely what the passage says. It is the basis for accurate interpretation and correct application. Observation answers the question: What does the passage say? Interpretation answers the question: What does the passage mean? Application answers the question: What truths can I put into practice, and what changes should I make in my life? When you know what God says, what He means, and how to put His truths into practice, you will be equipped for every circumstance of life. The goal of personal Bible study is a transformed life and a deep and abiding relationship with Jesus Christ."

For Nancy, studying and teaching God's word through inductive study has given her more than knowledge. Nancy says, "When I began to study inductively, I had little or no confidence that I could learn and live the word of God or live it out in my life. As I began to utilize the inductive process, I became aware of my God for the first time in my life. He was no longer just a concept to me as a "God" who you only call on when things are going wrong, but I realized the love of God and his word became alive to me in a way I had not experienced before."

Nancy's husband, Rev. Dr. Joseph Harris, is the Communications Director/Assistant to the Bishop of the Oklahoma Conference, so she is no stranger to attending new churches. Church of the Servant has given Nancy the opportunity to fully use her many gifts.

"After talking to Dr. Robyn Goggs about my starting a new class at Servant," Nancy said, "Robyn gave me the go ahead—that was 3 years ago. I've appreciated all the encouragement that she has given me to fulfill my spiritual gifts and calling to teach the Bible to the body of Christ."

Nancy will teach two Bible studies this fall. Sharing the Kingdom will do an inductive study entitled "Breaking Free." She will also teach a course on Spiritual Gifts.

## FALL WOMEN'S RETREAT Sept 30 - Oct 2

In the hustle of everyday life, we frequently find it hard to know just how to slow down and talk – one-on-one – with our heavenly Father. In the beautiful, peaceful surroundings of the Arbuckle Mountains, this retreat seeks to help each of us to find new ways to pour out our hearts in real, open conversations with God.

Through soul-stirring worship, reflective Bible study and engaging small group sessions, you will have plenty of opportunities to connect with God, nature and other women in fun and meaningful ways. God wants to enter into a conversational relationship with each one of us. We will hear some of the specific questions God asks of us, and discover answers which will draw us into a relationship of deeper sharing and intimacy with God. The resource for our time together will be **Questions GOD Asks Us** by Trevor Hudson.

Under the direction of Dr. Robyn Goggs, Associate Pastor and Director of Women's Ministries, several women of our church will lead a retreat that will bring renewal in your own walk with God and new thoughts on how to communicate with Him. There will be large and small group experiences, and plenty of space to exercise, play, rest, be with others, or to simply be alone as you seek conversations with God.

Cost for this incredible 2-night event is \$199 (or \$225 if you register after September 1). For more information about the retreat, go to [www.churchoftheservant.com/events](http://www.churchoftheservant.com/events), or contact Susie Cobden at 405-721-4141 or [scobden@churchoftheservant.com](mailto:scobden@churchoftheservant.com).

# NEXTGEN

## “NEXT GEN” NEXT GENERATION MINISTRY

*There are only 936 weeks between the time a child is born and the time he or she graduates.*

The display seen in these pictures represents the short time we have to impact a young person’s life. Each marble represents one week in a child’s life and each jar represents one year. There are only 936 weeks between the time a child is born and the time he or she graduates. It may seem like a long time, but the truth is, it goes by really fast. Just ask a parent whose child recently graduated. They will tell you to cherish every moment and not to waste a second.

At Servant, we believe that God has placed two primary spiritual influences in the lives of young people – the church and the family. With only 936 weeks to impact their lives, it is a must that the church and the family work together with the goal of leading our sons and daughters to become fully committed followers of Christ. This is why, on Sunday, September 11, we are hosting NextGen Sunday. On this special day, we will explore what God’s word says about raising our young people in the faith. Plus, we will hear about a new vision for our ministry to the Next Generation (children and students). It is a day you won’t want to miss!

We truly hope, no matter what season your season of life, that you will plan to join us for NextGen Sunday. We all have a role to play in leading the Next Generation to become fully committed followers of Christ!

There are 936 weeks from birth to graduation.

What will you do with the time you have?

It goes by fast... don't waste it!

“Train children in the way they should go; when they grow old, they won’t depart from it.”

Proverbs 22:6 CEB

## WOW – WELCOME ON WEDNESDAY

WOW – Welcome on Wednesdays– is about to begin another fun school year of learning about Jesus, sharing, and fellowship. Register your child, 3 years – 5<sup>th</sup> grade, at [www.churchoftheservant.com/events](http://www.churchoftheservant.com/events). WOW begins September 14, 6:30-8:00 p.m. and concludes on November 16.

Activities reinforce the Bible point selected for that evening. The lesson for the evening is taught in a large group setting. Then kids participate in small group activities led by an adult. The Bible point for the evening is taught through various activities including crafts, games, and snacks.

Bible points that will be topics for discussion and activities this session include:

- ▶ Count on God
- ▶ God Wants Us to Be Kind
- ▶ We Can Say I'm Sorry to God
- ▶ God Says Don't Be Selfish
- ▶ God Teaches us
- ▶ The Bible Helps Us Make Good Choices
- ▶ Be Loyal; Stick with God
- ▶ Obey God

## VOLUNTEERS ARE NEEDED!

The evening's activities are led by Dayna Slater (preschool), Cathy Hersom (lower elementary), and Cindy Brackenbury (upper elementary).

We need adults who:

- ▶ Love Jesus and have a desire for children to love Him;
- ▶ Understand that having a relationship with Jesus is the most important thing in life and have the desire for children to also have that relationship;
- ▶ Are committed to serving Jesus and have a desire for children to learn this commitment;
- ▶ Are ready to build relationships with these children and have the desire for children to experience how it feels to have someone care about them;
- ▶ Have the desire to strengthen their own relationship with Christ!

Contact Cathy Hersom at [chersom@churchoftheservant.com](mailto:chersom@churchoftheservant.com) for more information.

## Acolytes

Our new acolytes will be consecrated on September 18 in the 9:15 and 10:45 services. There are currently over twenty-five 4<sup>th</sup> and 5<sup>th</sup> graders who have committed to be part of this ministry.

Special thanks to the acolyte sponsors Carolyn and John Hays, Terry and Cary Fisher, Sharon and Allen Bumgardner, and Kathy and Jerry Dick. These individuals meet the acolytes each Sunday, make sure the candle lighters are working correctly, calm nerves, send them down the aisle at the correct time. They also become great friends and role models to these 4<sup>th</sup> and 5<sup>th</sup> graders.

There is still time to enroll your child to serve in this ministry – contact Cathy Hersom at [chersom@churchoftheservant.com](mailto:chersom@churchoftheservant.com).

**“...Jesus called for them and said, “Let the little children come to me, and do not stop them; for it is to such as these that the kingdom of God belongs.” — Luke 18:16**

# NEXTGEN

## SO THE NEXT GENERATION WILL KNOW...

Debra Tuls found a home and a ministry here at Church of the Servant. She serves in children's ministries in the Welcome on Wednesdays (WOW) program with first through third graders.

Debra served in Children's Ministry in her former church before moving to Oklahoma and Church of the Servant (COS) a few years ago. Servant gave her a new church home and a way to continue her ministry. Debra described the move this way: "When my husband and I relocated to Oklahoma from out of state a few years ago, we knew it was important to remain part of Christ's community, worshiping, and serving others. I am grateful that God brought us to COS within several months of our relocation. There were some very loving individuals who welcomed us and extended invitations to join their MVC Sunday school class. That ultimately lead to Children's Ministry once more."

Debra has a passion for ministering to children: "Serving in the children's ministry is very rewarding for me. God knew his plan for me! My family and

close friends have always said that since I am not able to have children of my own, so I was always available for their children. I've always told God that if He would drop them on my door step that I would never turn them away. Well, God over the years revealed to me that He has. He's got a great sense of humor and has blessed me through Children's Ministry with all my children."

Debra says that working in Children's Ministry continues to strengthen her faith in God, allowing her to build relationships with the children. She says, "I continually trust God to guide me with the children. It is such an honor and privilege that God has given me."

Debra continues to find new avenues of ministry. Debra said, "Earlier this year God continued to introduce me to more children's outreach, such as Hannah's Promise, a respite program for parents with special needs children, which is an unbelievable opportunity.

Additionally, I became part of the COS Missions Council and the Hospitality Team, greeting everyone on even num-

bered months. It is so fun because I truly enjoy people and helping. God, in His awesomeness, just continues to open the doors!"

Debra and her husband, Andy, will celebrate 18 years of marriage this month and are active in many areas of Church of the Servant, including Stop Hunger Now and the MVC class.

If you are volunteering for Children's Ministry, please contact Cathy Hersom at [chersom@churchoftheservant.com](mailto:chersom@churchoftheservant.com).
