

**Jesus Others You**

**December 16, 2016**

**10:30-11:30am**

**Warm World School celebrates the birth of Jesus all month long in many ways. Just take a look in our classrooms and you will see advent wreaths, angels and ornaments adorned with glitter and glue from corner to corner.**

**To send us off with a JOYful heart on the last day before break, our classes will come together for a special chapel message in the presence of a living nativity. Afterwards, each child will bring a gift to be given to those in need and will leave it at the feet of the baby Jesus in the manger.**

**Can you help by providing a tube of toothpaste,  
a single-packaged toothbrush, or both?**

**Your child will bring the donation to his/her teacher during the week of December 12. All donations will be given to foster children through Citizens Caring for Children. Following this JOYful giving opportunity, the children will gather for a birthday treat and Christmas songs with Ms. Misty before being dismissed back to class.**

**\*Parents are welcome to attend and sit in the guest section during our JOYful message.**

For more than 30 years, Citizens Caring for Children has provided for children living in foster care by meeting their material, emotional, and intellectual needs.

After bringing many abused and neglected children into their hearts and home, an Edmond foster family knew first-hand the unaddressed need of clothing and resources children in foster care face after leaving all of their personal belongings behind. They knew more could be done to meet the basic needs of these children and founded Citizens Caring for Children in 1984.

Today, Citizens Caring for Children is still committed to the agency's original vision of providing hope, changing lives and creating healthy futures for children in foster care. Citizens Caring for Children meets the needs of more than 4,000 Oklahoma children in foster care each year through services and programs like the Resource Center, Back-to-School, Joy 4 Kids, Mentoring and "It's in the Bag." Join us in making a difference in the lives of children in foster care today!
