

MSM Spring Calendar 2017

FUEL is our Sunday morning program that takes place from 10:45 to 11:45am in the Point Student Center. This great morning is complete with worship, games, and a message. Fuel is all about helping students to know and love God and grow in their faith.

IGNITE is our Wednesday night programming that takes place from 6:30 to 8:00pm in the Point Student Center. During Ignite, students will take part in games, age/gender based small groups, and other activities that will point them to Christ. Each month on the second Wednesday, we will provide pizza and drinks, so come hungry! Ignite is all about helping students to connect with each other, adult leaders, and most important our Savior.

To get our text message reminders text @cosmsm to 81010
